

6th Press Release

SUSEDI MOOC for Education Institution Personnel is ready

Date: 30/06/2024

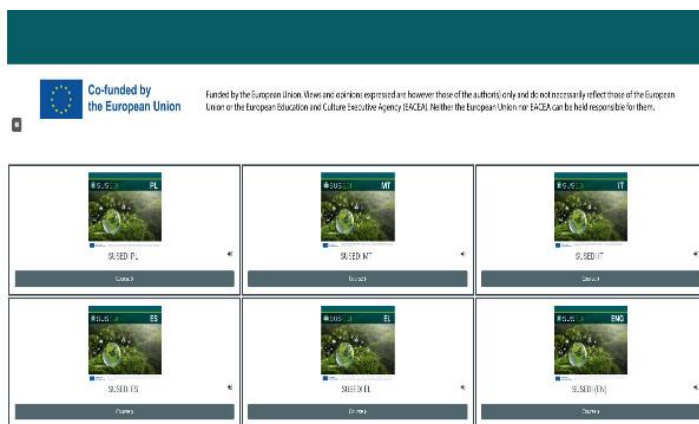

The remarkable progress of the SUSEDI project cannot go unnoticed, as its online e-learning platform is a reality.

It is designed to provide comprehensive support and resources for educators and institutions aiming to transform themselves into sustainable entities using the whole-institution approach (WIA). The elements underlying this online tool include:

- Audio lectures
- Quizzes, exercises
- Moodle with online resources
- Learning Outcomes
- Asynchronous conversations with the community of practice etc.

The e-learning platform offers an organized and easy-to-use structure for the navigation and administration of educational

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
